

Under the new Localism Bill people are being encouraged to become more involved in deciding how their own communities should develop and evolve. Checkley Parish Council has therefore embarked on creating a Neighbourhood Plan and we need **YOUR** help.

Initially we need is to gather information from which a vision for future of Checkley Parish and it's four village areas Checkley, Hollington, Lower Tean and Upper Tean can be created. This vision will contain objectives, identify priorities and select options to address these priorities.

What do you like about where you live?

What don't you like about where you live?

How would you improve where you live?

What is your postcode (this is purely so we can see which areas of the Parish our message has reached)?

In order to make this Neighbourhood Plan happen we need involvement from local people and organisations. If you feel able and willing to become part of the team taking this forward, please contact us using the details below.
