

CHECKLEY PARISH COVID-19 COMMUNITY SUPPORT NETWORK

Dear Community,

As you are aware, the spread of Covid-19 is now impacting our daily lives. Our 'vulnerable and over 70's' residents are being asked to self-isolate and everyone else has been asked to "shield" them and delay the spread of the disease by staying home and not going out unless it's essential.

The Checkley Parish Support Network can help anybody self-isolating by doing shopping (or organising the delivery), collecting prescriptions, dog walking, running any errands or just a voice at the end of the phone. Shopping can be left at your door and payment for this should be arranged between you and the volunteer.

A full list of Checkley Support Champions and other useful information can be found on

If you don't have access to the internet, you or anyone you are aware of, require support then please contact any of the numbers below and they will put you in touch with your nearest Support Champion.
